Re: Release of Bond for Guaranteed Savings

Mr. Breaux

In reference to the contract between Oklahoma County and Control Systems International (now Schneider Electric) executed December 17, 1999 for installation of equipment, systems and for service and monitoring services; CSI / Schneider Electric is hereby notified of the intent of Oklahoma County to release the Performance Bond requirement, warranting the guaranteed savings of said contract, upon the approval of the Board of County Commissioners (BoCC). This item will be placed for discussion and approval on an upcoming BoCC agenda item for the consideration of the board. Upon its approval you will be advised.

It is the understanding of the County that the cost of said bond will be provided in comparable value during the transition of the current equipment in the Oklahoma County Court House to new equipment as part of the Court House Infrastructure Upgrade Project currently in progress.

Respectfully,  
Oklahoma County Facilities Department

Mark Stephens,  
Director Property Management
