Dear Mr. Rumpfelt,

Thank you for your report from your visit to Oklahoma County District 3 on April 27, 2010. It was a pleasure to meet with you and discuss Oklahoma County's proactive safety programs.

You noted in your report that there was one reportable finding from your visit. That finding was related to the OK300 Log and the lack of case numbers in Column A of the report. The deficiency in the OK300 Log and related reports was corrected on April 27, 2010, the same date as your visit. The Oklahoma County Safety Department is committed to maintaining full compliance in the future.

Please let me know if you have any questions regarding Oklahoma County's response to this report.

We look forward to working with you in the future.

Sincerely,

Dan Matthews
Director of Human Resources and Safety
