Time Savers

Easy Refills Refill online or simply scan your Rx barcode using our mobile app

Mail Service Pharmacy Set up no-cost, mail delivery of 90-day refills and save with fewer pharmacy trips and fewer copays.

Cost Savers

Track Your Rx Spend See how much you have spent this year. Compare to last year. See where you can save.

Check Drug Coverage and Costs See what your plan covers and if there is a less costly generic alternative.

Generic medicines are your #1 way to help save money.

The average annual member savings with generic medicines is \$200 to \$360.¹

Many brands now have generic equivalents.

A generic equivalent contains the same active ingredients, in the very same strength, as a specific brand-name prescription medicines, and are just as safe and effective.²

See if you could be saving now.

Sign in at Caremark.com, click on "Find Savings and Opportunities" and learn about your options.

Always ask your doctor or pharmacist about a generic equivalent each time you fill a new prescription. Odds are, you'll find savings.

CVS/caremark™ Mail Service Pharmacy delivers your savings.

Set up Mail Service Pharmacy to have your maintenance medicine* delivered safely to your home, office or other location in convenient 90-day refills.

You'll save time skipping the pharmacy lines and save money with fewer copays and no-cost shipping.

A registered pharmacist reviews all shipments before we send it safely, in private, tamper-resistant plain packaging.

Set up Mail Service Pharmacy – here's three easy ways.

1

Sign in at **Caremark.com**, click on “Order Prescriptions”, choose “Start Mail Service” and complete the order form.

2

Call the toll-free number on the back of your prescription ID card – have your doctor, medicine and mailing information ready, as well as a payment method.

3

Ask your doctor to submit your prescriptions electronically. It's fast, accurate and easy.

Refill online, with our app or over the phone.

Online

Sign in at **Caremark.com**, go to “Order Prescriptions” and choose “Refill Prescriptions”.

If you are refilling a Mail Service Pharmacy order, simply enter your Rx# on the **Caremark.com** homepage without having to sign in.

Mobile App

Tap the **Easy Refills** button or scan the barcode on your Rx label.

Phone

Call the **toll-free number** on the back of your prescription ID card.

*A maintenance medication is taken regularly for chronic conditions or long-term therapy. A few examples include medications for managing high blood pressure, asthma, diabetes or high cholesterol.
